Forecast For Wales
Issued by Met Office Exeter
at 1600 on Thursday 05 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Continued risk of showers, some heavy and thundery.

This Evening and Tonight:
A cloudy evening for most of the country with heavy showers continuing throughout the night. Remaining breezy around coastal areas and feeling warmer than previous nights. Minimum temperature 14 deg C (57 deg F).

Friday:
Some sunny spells between continuing showers with heavier downpours, possibly thundery. Breezy winds, particularly in the north and around the coast. Maximum temperature 19 deg C (66 deg F).

Outlook for Saturday to Monday:
Showers continue into the weekend with unsettled conditions prevailing on Saturday and Sunday. Sunny spells but feeling cool. Showers begin to fade into Monday giving way to further sunny spells.
